You are invited....

Virtual Prayer Walk

Each year during **Baptist Care SA Month** we take time together to walk around our CBD and pray for our community.

We pray that God would bless, empower, encourage and meet the needs of those experiencing homelessness, mental health concerns, and challenges exiting the prison system, pressures in arriving to Australia for the first time or living with a disability. We pray that God would use us to act to bring His Kingdom of Shalom, love and flourishing to our community.

Join us as we take this virtual walk and pray together powerfully from our homes. We will pray together and in small groups, if this is your first zoom prayer time it's easy to use – jump on in!

When: Tuesday 31 August 2021
Where: Online
Time: 7.30 pm - 8.30 pm
