INSTRUCTIONS

TO COMPLETE 4.1

Complete the worksheet with information by following the instructions and prompts in each section of the worksheet that are written in italics. Note the degree of importance for each quality you require in your support workers.

DATE:

If a worker is supporting you with your care, or with services in your home, what kind of a person or personality would you be hoping for? (e.g. professional, happy, hopeful, positive, etc.)

You can use the guide for a list of known qualities of effective support workers. Record any qualities that are important to you.

Tick the degree of importance of each quality to you using this scale:

1 = no importance at all **2 =** not that important **3 =** fairly important **4 =** very important

MY SUPPORT WORKERS *(This list includes known qualities of effective support workers. Add any that are important to you.)*	**IMPORTANCE TO ME**				**MY PREFERENCES** *(Record information about how you would prefer your workers to behave toward you.)*
