Support Coordination

It's really important for you to be able to make your own decisions. Baptist Care SA can be there to support you all the way, helping you to connect with NDIS providers and achieve your NDIS goals.

## **Inspiring Achievement.**

For more than five years, Baptist Care SA has been helping people living with a disability achieve their hopes and dreams. It is a privilege to work in partnership with you on your journey to achieve your NDIS goals.

## Support Coordination (Level 2)

Together we'll help you build and keep a support network for your life, not just your services. We'll work with you so you understand your funding, what to expect from your services and how they will benefit you.

## Specialist Support Coordination (Level 3)

We understand your situation may be complex. We'll work with you to identify your needs, navigate any barriers and support you to connect with services so you receive the support you need.

## Exploring Housing Options - EHO (Level 2 and 3)

How and where do you want to live? There are lots of options, so let's find the accommodation that's right for your needs today and tomorrow.

## Working with you, we will:

- Be respectful and listen to your wants and needs
- Ensure you can exercise your right to choice and control
- Support you to find the most appropriate provider for your needs
- Keep you in the loop so you'll always know how your supports are tracking
- Use our knowledge and expertise to help you get the most from the services you choose,
