

**“ I really struggle if I have to go to the doctor or to a hospital appointment. People stare at me – it’s often a while since I had a shower or got clean clothes. I am embarrassed.**

**The team at WestCare are always so welcoming and respectful”**

An increasing number of older, frail South Australians are coming to Baptist Care SA for help.

Happily, there is a nurse on-site everyday, a doctor once a week and additional supports

coming soon.

**“ We are a family of five, so it’s been really hard for us to find accommodation. Since Malcolm lost his job, we have been relying on JobSeeker, but with it being cut back we couldn’t afford to stay where we were, so we came to Baptist Care SA for help.**

**They have been awesome finding us somewhere to live in the short term and helping us register for public housing.**

**I just hope we can find something near the kids’ school so we don’t have to move them again.”**

**There are almost 20,000 on the waiting list for public housing in South Australia.<sup>2</sup>**

## Baptist Care SA’s WestCare Centre relies on the goodwill and hard work of more than 60 volunteers each week to keep the doors open.

When SA government restrictions came into force in early 2020, we had to release our loyal volunteers. This left vital community supports with a skeleton team and we had to meet this urgent need by increasing staffing levels. To date, almost 1000 hours have been worked, costing more than \$35,000. This is unbudgeted expenditure.

While we are now able to re-sign our volunteers, this will be gradual over time and we will have to spend more to meet urgent need.

**We invite you to add to your gift by making an extra ‘COVID Care Supplement’ donation. Every dollar counts!**

**\$45** Nutritious breakfast and lunch for 2 weeks

**\$60** Family food parcel

**\$105** Pastoral care – dedicated one on one time with a support worker

**\$250** Specialised support including housing assistance, legal counsel & health support

**\$25** COVID Care Supplement – helping bridge the gap incurred through the loss of our volunteers

Baptist Care SA’s WestCare Centre is open six days a week and receives no government funding. We depend on the generosity of our donors to continue our vital services.
