## CANCELLATION TERMS

In the event of a cancellation, the fee charged will be in line with NDIS requirements regarding cancellation fees and notice periods which is current as at the time of cancellation.

A cancellation is a short notice cancellation if the participant:

- does not show up for a scheduled support within a reasonable time, or is not present at the agreed place and within a reasonable time when the provider is travelling to deliver the support; or
- has given less than two (2) clear days' notice for any other support.

100% of the agreed fee associated with the activity will be claimed from the participant's plan, in line with service agreement between BCSA and the participant.

See terms and conditions of service agreement. Subject to NDIS price guide changes.

## TRANSPORT

### Provider travel – Community Supports and SIL

Baptist Care SA is obligated by the SCHADS award to pay our staff if they travel directly from one NDIS client to another.

We will discuss with you at the time of confirming your service agreement if this is applicable to your service and the amount of time this will consume from your plan (up to a maximum of 30 minutes per session).

### Provider travel – Allied Health and Capacity Building

Baptist Care SA can claim up to a maximum of 30 minutes travel time to a client appointment for the above categories.

An additional 30 minutes can also be claimed for travel back to the relevant Baptist Care SA office.

The total amount of provider travel time that Baptist Care SA can claim for these supports will be discussed with you on a case-by-case basis and included in your service agreement.

### Participant Travel

If you have an allocated transport budget as part of your plan, Baptist Care SA will work with you to determine your transport needs for each shift and will charge \$1.20 kilometre up to your plan limit.

If you do not have an allocated transport budget, Baptist Care SA will discuss with you about claiming any transport needs against the related support line item, and whether or not you may need to contribute yourself.

## NON FACE-TO-FACE SUPPORTS

For relevant support items, Baptist Care SA is able to claim for non face-to-face time that assists us in helping you achieve your NDIS plan goals.

Baptist Care SA will discuss this with you as part of our service agreement if this is applicable to your service and how much time will be required to complete this support.
