## TRANSPORT

### Provider travel – Community Supports and SIL

Baptist Care SA is obligated by the SCHADS award to pay our staff if they travel directly from one NDIS client to another.

We will discuss with you at the time of confirming your service agreement if this is applicable to your service and the amount of time this will consume from your plan (up to a maximum of 30 minutes per session).

### Provider travel – Allied Health and Capacity Building

Baptist Care SA can claim up to a maximum of 30 minutes travel time to a client appointment for the above categories.

An additional 30 minutes can also be claimed for travel back to the relevant Baptist Care SA office.

The total amount of provider travel time that Baptist Care SA can claim for these supports will be discussed with you on a case-by-case basis and included in your service agreement.

### Participant Travel

If you have an allocated transport budget as part of your plan, Baptist Care SA will work with you to determine your transport needs for each shift and will charge \$1.20 kilometre up to your plan limit.

If you do not have an allocated transport budget, Baptist Care SA will discuss with you about claiming any transport needs against the related support line item, and whether or not you may need to contribute yourself.

## NON FACE-TO-FACE SUPPORTS

For relevant support items, Baptist Care SA is able to claim for non face-to-face time that assists us in helping you achieve your NDIS plan goals.

Baptist Care SA will discuss this with you as part of our service agreement if this is applicable to your service and how much time will be required to complete this support.
